Tre Bicchieri Wines fly to Stockholm

A unique premium tasting to get in touch with the awarded Italian wines in Vini d'Italia

Gambero Rosso is ready to land in **Stockholm** with a tasting of premium Italian wines awarded in **Vini d'Italia guidebook**. The **Tre Bicchieri World Tour** will reach Sweden on **Wednesday, October 27**. The event will take place once again in the elegant rooms of the **Grand Hotel Stockholm**, with an extensive walk around tasting from noon to 7pm. The selection of wines will feature a very huge portfolio of native Italian grapes produced by some of the most consistent and emerging wineries. At 4:30pm is also scheduled the awarding ceremony of the **best Italian restaurants in Stockholm** according to the Top Italian Restaurants digital guide which rate fine dining restaurants, trattorias, pizzerias, and wine bars. We remember that the Tre Bicchieri World Tour is only for those wineries that have attained the maximum recognition in the Gambero Rosso wine guide, a guarantee of absolute quality.

In addition, the program includes **two guided masterclasses**. The wine editors of Gambero Rosso, **Lorenzo Ruggeri and Marco Sabellico**, will introduce a virtual and tasty trip from the northern tip of the Peninsula till the southern corner. The first seminar is scheduled at noon, while the second one will start at 3:00pm. At 4:30pm it's time for the **Awarding Ceremony of the Top Italian Restaurants in Stockholm** according to the Gambero Rosso ranking, including fine dining restaurants, trattorias, pizzerias, and wine bars. A special award, such as the Villa Sandi Best Contemporary Wine List Award, will be released to the smartest and most brilliant Italian wine collection in town.

After Stockholm, the Tre Bicchieri World Tour will move to Copenhagen on October 29. In November the tour will fly to Canada and the US, with stops in Toronto, Calgary, Miami and San Diego. Gambero Rosso has reached the 35th edition of the Vini d'Italia guide, today translated into English, German, Chinese and Japanese. Vini d'Italia guide is the result of a year of work by an expert team of tasters who have travelled the country interviewing producers and visiting wineries. The guide reviews 2,634 wineries and a total of 25,417 wines, awarding the classic scores ranging from 1 to 3 Glasses according to the quality of the label. This year, the record number of 476 Tre Bicchieri have emerged: Tuscany and Piedmont lead the way. Vini d'Italia is not just a collection of scores and ratings, it's a fundamental and essential tool for all those who work in the sector or are interested in quality Italian wines.

All the events will take place under the safety rules and regulation during covid-19 pandemic keeping the health of the exhibitors and visitors in the first place

About Top Italian Restaurants

The quality of the “cucina italiana” abroad has reached a new level. Gambero Rosso has released the fourth edition of the digital guide to Italian restaurants around the world. For rating places Gambero Rosso calls its well-known system: from one to three, forks for fine dining restaurants, shrimps for bistrot and trattorias, pizza slices for pizzerias and bottles for wine bars and enoteca. Authentic character, product traceability, purity of flavors (cucina italiana can't exist without a proper extra-virgin olive oil), service and the quality of the wine list were important criteria. From the 100,000 estimated eating places that serve up our traditions in wine and food, Gambero Rosso selected 700 for now – as the guide will expand month by month.
