Vini d'Italia 2020 live in Zürich

The Gambero Rosso tasting is a hot ticket event in town

Gambero Rosso Vini d'Italia Tour is ready to come back to **Zürich** in order to present an exclusive selection of awarded wineries in the 2021 guide. The event is scheduled on **Thursday, December 10 at the Metropol**.

The program will include **two seminars** guided by **Marco Sabellico**, Senior Editor of Vini d'Italia. **The first one will feature the wines from North and Center of Italy**, ranging from Valdobbiadene and ending up in the earth of Langhe with a proper Barolo. **The second one will display the huge amount of native grapes from Center and South of Italy**: a savory trip through terroir like Vesuvio, Vulture, Manduria, Montalcino and much more. The event will see the precious partnership between **Gambero Rosso** and **Vinum**, a quality partner for years, a major wine magazine with two German editions for Germany and Switzerland.

Gambero Rosso has reached the 34th edition of the Vini d'Italia guide, today translated into English, German, Chinese and Japanese. Vini d'Italia guide is the result of a year of work by an expert team of tasters who have travelled the country (including Switzerland's Canton Ticino) interviewing producers and visiting wineries. The guide reviews 2,645 wineries and a total of 24,638 wines, awarding the classic scores ranging from 1 to 3 Glasses according to the quality of the label. This year, the record number of 467 Tre Bicchieri have emerged: Tuscany leads the way with 90 awards. Vini d'Italia is not just a collection of scores and ratings, it's a fundamental and essential volume for all those who work in the sector or are interested in quality Italian wines. Available on Apple and Amazon.

VINI D'ITALIA 2020

The name Gambero Rosso was borrowed from the tavern where the wicked Fox and Cat took Pinocchio to dinner in the famous 19th century children's book by Carlo Collodi. In 1986, Gambero Rosso made its first appearance as a food-and-wine focused weekly supplement in the daily newspaper, Il Manifesto. The year after, the first Gambero Rosso wine guide was printed. In 1999, the first thematic television channel in Europe, Gambero Rosso Channel, was founded, soon followed by the Città del gusto, the schools, a master program, and recently, the public stock offering in November 2015.

Gambero Rosso is the only multimedia company in the sector that offers magazines, books, guides, a website, a webtv, smartphone applications, and a television channel - Sky 412. The Vini d'Italia Wine Guide is translated into Chinese, Japanese, English and German. The Gambero symbol of wine excellence, Tre Bicchieri (three glasses), has become the benchmark award and an unquestioned reference point, a guarantee of premium quality all over the world. It has even been chosen as the criteria for access into some of the most important wine monopolies in the world. Since 1987, Gambero Rosso has represented Italian-made food and wine, testing and certifying the quality of products, telling the stories behind the flavors and traditions of the Peninsula.
