TRE BICCHIERI WEB SHOW ZÜRICH

Il 10 dicembre si è svolto con grande successo il Vini d'Italia Web Show in Svizzera: Marco Sabellico, in diretta streaming dalla sede del Gambero Rosso a Roma, ha condotto due seminari rivolti a circa sessanta operatori del settore.

La prima masterclass, incentrata sui vini del Centro e Nord Italia, ha avuto inizio dal Prosecco e si è conclusa con l'importante struttura tannica di un Barolo di Serralunga.

La seconda, con focus sul Centro e Sud Italia, si è sviluppata in un percorso che va dai vini del Vesuvio, Vulture e Manduria per concludersi in bellezza con i rossi di Montalcino e il Maremma Toscana.

L'evento è stato organizzato in collaborazione con Vinum Publishing Group, partner strategico di lunga data del Gambero Rosso.

PRESS RELEASE

VINI D'ITALIA 2020

Vini d'Italia 2020 live in Zürich

The Gambero Rosso tasting is a hot ticket event in town

Gambero Rosso Vini d'Italia Tour is ready to come back to **Zürich** in order to present an exclusive selection of awarded wineries in the 2021 guide. The event is scheduled on **Thursday, December 10 at the Metropol**.

The program will include **two seminars** guided by **Marco Sabellico**, Senior Editor of Vini d'Italia. **The first one will feature the wines from North and Center of Italy**, ranging from Valdobbiadene and ending up in the earth of Langhe with a proper Barolo. **The second one will display the huge amount of native grapes from Center and South of Italy**: a savory trip through terroir like Vesuvio, Vulture, Manduria, Montalcino and much more. The event will see the precious partnership between **Gambero Rosso** and **Vinum**, a quality partner for years, a major wine magazine with two German editions for Germany and Switzerland.

Gambero Rosso has reached the 34th edition of the Vini d'Italia guide, today translated into English, German, Chinese and Japanese. Vini d'Italia guide is the result of a year of work by an expert team of tasters who have travelled the country (including Switzerland's Canton Ticino) interviewing producers and visiting wineries. The guide reviews 2,645 wineries and a total of 24,638 wines, awarding the classic scores ranging from 1 to 3 Glasses according to the quality of the label. This year, the record number of 467 Tre Bicchieri have emerged: Tuscany leads the way with 90 awards. Vini d'Italia is not just a collection of scores and ratings, it's a fundamental and essential volume for all those who work in the sector or are interested in quality Italian wines. Available on Apple and Amazon.

PRESS RELEASE

VINI D'ITALIA 2020

The name Gambero Rosso was borrowed from the tavern where the wicked Fox and Cat took Pinocchio to dinner in the famous 19th century children's book by Carlo Collodi. In 1986, Gambero Rosso made its first appearance as a food-and-wine focused weekly supplement in the daily newspaper, Il Manifesto. The year after, the first Gambero Rosso wine guide was printed. In 1999, the first thematic television channel in Europe, Gambero Rosso Channel, was founded, soon followed by the Città del gusto, the schools, a master program, and recently, the public stock offering in November 2015.

Gambero Rosso is the only multimedia company in the sector that offers magazines, books, guides, a website, a webtv, smartphone applications, and a television channel - Sky 412. The Vini d'Italia Wine Guide is translated into Chinese, Japanese, English and German. The Gambero symbol of wine excellence, Tre Bicchieri (three glasses), has become the benchmark award and an unquestioned reference point, a guarantee of premium quality all over the world. It has even been chosen as the criteria for access into some of the most important wine monopolies in the world. Since 1987, Gambero Rosso has represented Italian-made food and wine, testing and certifying the quality of products, telling the stories behind the flavors and traditions of the Peninsula.

A new promotion on wine is now possible

by Lorenzo Ruggeri

Gambero Rosso in Russia and then Switzerland, with a well-tested formula between in-person events, seminars and video-meetings

The promotion of the best Italian wines abroad sees no pausing. After Kyiv, the Gambero Rosso World Tour returned to Russia with its best known and most celebrated format: the Tre Bicchieri event. In the spotlight is an accurate selection of wines awarded with the highest recognition in the guide Vini d'Italia 2021. On November 24th, the first stop was St. Petersburg, in the famous Hotel Astoria, in front of St. Isaac's Cathedral, the largest in the country. An event that confirmed indications from past editions: St. Petersburg is increasingly a gourmet destination, with a surge in restaurant openings even during

December 9th was instead time for an in-depth study on the Swiss territory. Marco Sabellico, also in streaming from the editorial headquarters of Gambero Rosso, conducted two seminars for 60 industry operators. The first on wines from central and northern Italy, starting with Prosecco and ending with the important tannic structure of a Barolo from Serralunga. The second, focussed on central Italy, from the reds of Montalcino and the Tuscan Maremma, closing with the wines of Vesuvius, Vulture and Manduria. The event was organised in collaboration with Vinum publishing group, a long-time Gambero Rosso strategic partner.

Russia in 2020 will reach 916 million euros, 279 of which are related to Italian labels. The overall decline is 12%, while the decline for Italy is reduced to 7.5%. Events in Russia confirmed how
