PRESS RELEASE

Vini d'Italia o'clock in Boston

The Gambero Rosso World Tour comes back to Boston with a unique tasting of awarded wines

Gambero Rosso is ready to land in **Boston** with a tasting of premium Italian wines selected in **Vini d'Italia 2022** guidebook. The tour will hit the coast of the Atlantic Ocean on **Monday, February 28**. The event will take place at the **Cyclorama – Boston Center for the Arts**, with a vibrant **walk around tasting from 01:00Pm to 5:00pm**. The selection will feature a very huge portfolio of native Italian grapes produced by some of the most consistent and emerging wineries. A surprising selection of wines not yet released on the market will accompany a rich variety of celebrated labels.

The event is conducted with the support of the Italian Ministry of Foreign Affairs and International Cooperation and in collaboration with the Italian Trade Agency.

At 4pm is scheduled the **Awarding Ceremony of the Top Italian Restaurants in Boston** according to the Gambero Rosso ranking, including fine dining restaurants, trattorias, pizzerias, and wine bars.

Gambero Rosso has reached the 35th edition of the Vini d'Italia guide, today translated into English, German, Chinese and Japanese. Vini d'Italia guide is the result of a year of work by an expert team of tasters who have travelled the country interviewing producers and visiting wineries. The guide reviews 2,634 wineries and a total of 25,417 wines, awarding the classic scores ranging from 1 to 3 Glasses according to the quality of the label. This year, the record number of 476 Tre Bicchieri have emerged: Tuscany and Piedmont lead the way. Vini d'Italia is not just a collection of scores and ratings, it's a fundamental and essential tool for all those who work in the sector or are interested in quality Italian wines.

About Top Italian Restaurants

The quality of the “cucina italiana” abroad has reached a new level. Gambero Rosso has released the fourth edition of the digital guide to Italian restaurants around the world. For rating places Gambero Rosso calls its well-known system: from one to three, forks for fine dining restaurants, shrimps for bistrot and trattorias, pizza slices for pizzerias and bottles for wine bars and enoteca. Authentic character, product traceability, purity of flavors (cucina italiana can't exist without a proper extra-virgin olive oil), service and the quality of the wine list were important criteria. From the 100,000 estimated eating places that serve up our traditions in wine and food, Gambero Rosso selected 700 for now – as the guide will expand month by month.
