Tre Bicchieri Wines fly to Kyiv

A unique premium tasting to get in touch with the awarded Italian wines in Vini d'Italia

Gambero Rosso is ready to land in Ukraine with an extensive tasting of premium Italian wines awarded in Vini d'Italia guidebook. The **Tre Bicchieri World Tour will reach Kyiv on Tuesday, November 2**. For the second year on a row Gambero Rosso will participate at the **Wine&Spirits Ukraine** exhibition. The premium tasting event will take place at the **International Exhibition Center**, inside the conference hall 1, Pavilion 1A, that will host a lively walk around tasting from 10am to 4pm. The selection of wines will feature a very huge portfolio of native Italian grapes produced by some of the most consistent and emerging wineries. We remember that the Tre Bicchieri World Tour is only for those wineries that have attained the maximum recognition in the Gambero Rosso wine guide, a guarantee of absolute quality.

The Gambero Rosso program includes **threes masterclasses**. The first one is scheduled on November 3 at 11am featuring the wines of the **Villa Sandi group** which runs wineries in Veneto in Friuli. During the class a special award, such as the **Villa Sandi Best Contemporary Wine List Award**, will be released to the smartest and most brilliant Italian wine collection in Kyiv. The second masterclass, **Italy in a nutshell**, is going to take place on the same day at 1pm: a virtual trip in the glass covering all the Peninsula through wines produced from the northern tips till the southern corners. Lastly, the third masterclass will take place on November 4, at 10 am, showcasing the **Special Awarded Wines in the Vini d'Italia 2022** guidebook. All the seminars will be held at the Pavilion 1A by **Giuseppe Carrus** and **Marco Sabellico**, wine editors of the guide.

After Kyiv, the Tre Bicchieri World Tour will fly to Canada and the US, with stops in Toronto, Calgary, Miami and San Diego. Gambero Rosso has reached the 35th edition of the Vini d'Italia guide, today translated into English, German, Chinese and Japanese. Vini d'Italia guide is the result of a year of work by an expert team of tasters who have travelled the country interviewing producers and visiting wineries. The guide reviews 2,634 wineries and a total of 25,417 wines, awarding the classic scores ranging from 1 to 3 Glasses according to the quality of the label. This year, the record number of 476 Tre Bicchieri have emerged: Tuscany and Piedmont lead the way. Vini d'Italia is not just a collection of scores and ratings, it's a fundamental and essential tool for all those who work in the sector or are interested in quality Italian wines.

All the events will take place under the safety rules and regulation during covid-19 pandemic keeping the health of the exhibitors and visitors in the first place

About Top Italian Restaurants

The quality of the "cucina italiana" abroad has reached a new level. Gambero Rosso has released the fourth edition of the digital guide to Italian restaurants around the world. For rating places Gambero Rosso calls its well-known system: from one to three, forks for fine dining restaurants, shrimps for bistrot and trattorias, pizza slices for pizzerias and bottles for wine bars and enoteca. Authentic character, product traceability, purity of flavors (cucina italiana can't exist without a proper extra-virgin olive oil), service and the quality of the wine list were important criteria. From the 100,000 estimated eating places that serve up our traditions in wine and food, Gambero Rosso selected 700 for now – as the guide will expand month by month.
