REPORT

KIEV

2 novembre 2021

Il **2 novembre 2021** si è svolta con grande successo, presso l'International Exhibition Center di Kiev, la tappa ucraina del **Tre Bicchieri Worldtour 2022**.

Ukraine Wine & Spirits 2021 è stata la cornice ideale per Gambero Rosso per presentare la guida Vini d'Italia 2022, giunta alla sua trentacinquesima edizione.

Qui per la prima volta trenta produttori Top premiati nella Guida hanno presentato a pubblico e professionisti le loro etichette.

VILLA SANDI CONTEMPORARY WINE LIST AWARD

Il premio **Villa Sandi Best Contemporary Wine List Award**, consegnato da *Diva Moretti Polegato*, è andato a **Italian Edition**, un elegante locale di proprietà di Dima Zaporozhets e Vova Tashaev, che si è subito imposto per l'eccellente selezione di vini.

La cantina vanta produttori affermati ma dietro c'è un gran lavoro di ricerca su vini di piccole aziende, artigiani del gusto, produttori attenti all'ambiente e alla sostenibilità. La gamma delle proposte gastronomiche è vasta e si contraddistingue per l'attenzione all'abbinamento con il cibo.

Tre Bicchieri Wines fly to Kyiv

A unique premium tasting to get in touch with the awarded Italian wines in Vini d'Italia

Gambero Rosso is ready to land in Ukraine with an extensive tasting of premium Italian wines awarded in Vini d'Italia guidebook. The **Tre Bicchieri World Tour will reach Kyiv on Tuesday, November 2**. For the second year on a row Gambero Rosso will participate at the **Wine&Spirits Ukraine** exhibition. The premium tasting event will take place at the **International Exhibition Center**, inside the conference hall 1, Pavilion 1A, that will host a lively walk around tasting from 10am to 4pm. The selection of wines will feature a very huge portfolio of native Italian grapes produced by some of the most consistent and emerging wineries. We remember that the Tre Bicchieri World Tour is only for those wineries that have attained the maximum recognition in the Gambero Rosso wine guide, a guarantee of absolute quality.

The Gambero Rosso program includes **three masterclasses**. The first one is scheduled on November 3 at 11am featuring the wines of the **Villa Sandi group** which runs wineries in Veneto in Friuli. During the class a special award, such as the **Villa Sandi Best Contemporary Wine List Award**, will be released to the smartest and most brilliant Italian wine collection in Kyiv. The second masterclass, **Italy in a nutshell**, is going to take place on the same day at 1pm: a virtual trip in the glass covering all the Peninsula through wines produced from the northern tips till the southern corners. Lastly, the third masterclass will take place on November 4, at 10 am, showcasing the **Special Awarded Wines in the Vini d'Italia 2022** guidebook. All the seminars will be held at the Pavilion 1A by **Giuseppe Carrus** and **Marco Sabellico**, wine editors of the guide.

After Kyiv, the Tre Bicchieri World Tour will fly to Canada and the US, with stops in Toronto, Calgary, Miami and San Diego. Gambero Rosso has reached the 35th edition of the Vini d'Italia guide, today translated into English, German, Chinese and Japanese. Vini d'Italia guide is the result of a year of work by an expert team of tasters who have travelled the country interviewing producers and visiting wineries. The guide reviews 2,634 wineries and a total of 25,417 wines, awarding the classic scores ranging from 1 to 3 Glasses according to the quality of the label. This year, the record number of 476 Tre Bicchieri have emerged: Tuscany and Piedmont lead the way. Vini d'Italia is not just a collection of scores and ratings, it's a fundamental and essential tool for all those who work in the sector or are interested in quality Italian wines.

All the events will take place under the safety rules and regulation during covid-19 pandemic keeping the health of the exhibitors and visitors in the first place

About Top Italian Restaurants

The quality of the "cucina italiana" abroad has reached a new level. Gambero Rosso has released the fourth edition of the digital guide to Italian restaurants around the world. For rating places Gambero Rosso calls its well-known system: from one to three, forks for fine dining restaurants, shrimps for bistrot and trattorias, pizza slices for pizzerias and bottles for wine bars and enoteca. Authentic character, product traceability, purity of flavors (cucina italiana can't exist without a proper extra-virgin olive oil), service and the quality of the wine list were important criteria. From the 100,000 estimated eating places that serve up our traditions in wine and food, Gambero Rosso selected 700 for now – as the guide will expand month by month.

WORLDTOUR. Vini d'Italia 2022 all'Ukraine Wine & Spirit di Kyiv

a cura di Marco Sabellico

Ukraïne Wine & Spirit 2022 è una certezza. La più importante fiera di settore del Paese è ormai decollata, con oltre 500 espositori tra vino, cibo e spirits, ed è stata la cornice ideale per Gambero Rosso per presentare l'edizione 2022 di Vini d'Italia, la trentacinquesima. Qui per la prima volta trenta produttori Top premiati nella Guida hanno presentato a pubblico e professionisti le loro etichette. *"L'export italiano cresce veloce in Ucraina"* ci ha detto **Tony Corradini**, direttore dell'Ice di Kyiv nel corso dell'evento. **"Siamo il sesto Paese mondiale per volume di scambi con questo Paese, e il terzo a livello europeo, dopo Germania e Polonia. Se guardiamo poi al vino siamo leader delle importazioni, con oltre il 33% del totale, e nel 2020 abbiamo sfiorato i 50 milioni di euro, raddoppiando le cifre del 2017"**. Dietro di noi la Francia, con un fatturato di quasi il 50% inferiore, e poi la Georgia.

L'evento è stata anche l'occasione per premiare i ristoranti, bistrot, pizzerie e wine bar di Kyiv selezionati dalla Guida Top Italian Restaurants in the World. Qui in particolare c'è una scena enogastronomica vivacissima, fatta di tante nuove aperture di ristoranti, molti dei quali di cucina internazionale e italiana in particolare. Il **Wine Bar Italian Edition** in particolare ha ottenuto anche il premio Villa Sandi Contemporary Wine List Award. I vini di Villa Sandi - che sulla Guida 2022 ha il premio speciale "Bollicine dell'Anno" - e quelli di Borgo Conventi sono stati protagonisti con sei etichette di una speciale Masterclass tenuta da Diva Moretti Polegato con il sottoscritto e Vitaliy Kovach, notissima figura della sommelierie ucraina. *"È stato bello ritrovarvi a Kiev"* ci ha detto **Olga Pinevich-Todoruk**, caporedattore della rivista Drink+, tra le più importanti del settore *"Dopo i bei giorni trascorsi a Roma per la presen-*

tazione della Guida 2022 è un piacere degustare ancora i grandi vini italiani e trasmettere i valori che sono alla base della scena enologica italiana".

Sold out le Masterclass dei Tre Bicchieri e quella dei Premi Speciali della Guida 2022. *"Parteciparvi è stato il modo migliore per capire la filosofia che è alla base della Guida Vini, i criteri di valutazione, il vostro approccio alla degustazione"* ha detto **Alina Vairaukh**, wine-communicator e organizzatrice di wine-tours venuta appositamente da Odessa (dove alcuni giorni dopo ha organizzato una degustazione dei Tre Bicchieri 2022 gentilmente offerti dai produttori presenti a Kyiv). *"La cosa che sorprende della vostra Guida è che c'è grande spazio per le zone classiche, ma ogni anno troviamo tantissime novità: vini, vitigni, produttori e terroir emergenti"*.

Il World Tour del Gambero Rosso prosegue. Prossime Tappe Toronto e Calgary in Canada, e a seguire Miami e San Diego in Usa.

WORLD TOUR.

Vini d'Italia 2022 guide at Ukraine Wine & Spirit in Kyiv

by Marco Sabellico

Ukraine Wine & Spirit 2021 is a certainty. The most important trade fair in the country has now taken off, with over 500 exhibitors including wine, food and spirits, and was the ideal setting for Gambero Rosso to present the 2022 edition of Vini d'Italia, in its thirty-fifth edition. Here, for the first time, thirty Top producers awarded in the Guide presented their labels to the public and professionals.

"Italian exports are growing fast in Ukraine", Tony Corradini, director of the Kyiv Ice, told us during the event. "We are the sixth country in the world by volume of trade with this Nation, and the third in Europe, after Germany and Poland. If we look at wine, then, we are the leader in imports, with over 33% of the total, and in 2020 we nearly reached 50 million euros, doubling the 2017 figures." Behind us sits France, with a turnover of almost 50% lower, and then Georgia.

The event was also an opportunity to reward Kyiv's restaurants, bistros, pizzerias and wine bars selected by the **Top Italian Restaurants in the World** guide. Here in particular there is a very lively food and wine scene, made up of many new restaurant openings, many of which are international and Italian cuisine in particular. The Wine Bar Italian Edition in particular also obtained the **Villa Sandi Contemporary Wine List Award**. The wines of Villa Sandi - which in the 2022 Guide names the special "Bubbles of the Year" award - and those of Borgo Conventi were the protagonists with six labels of a special Masterclass held by Diva Moretti Pollegato with myself and Vitali Kovach, a well-known figure of the Ukrainian sommelier scene. *"It was nice to find you in Kiev"* told us Olga Pinevich-Todoruk, editor-in-chief of Drink + magazine, one of the most important in the sector *"After the beautiful days spent in Rome for the*

presentation of the 2022 Guide it is a pleasure to once again taste the great Italian wines and transmit the values that are the core of the Italian wine scene."

Tre Bicchieri Masterclasses sold out and the Special Awards of the Guide 2022 as well. "Participating in it was the best way to understand the philosophy behind the Wine Guide, the evaluation criteria, your approach to tasting" said Alina Vairaukh, wine-communicator and wine tour organizer who came specifically from Odessa (where a few days later she organized a tasting of the Tre Bicchieri 2022 kindly offered by the producers present in Kyiv). *"The surprising thing about your Guide is that there is great space for the classic areas, but every year we find lots of new products: winos, vinas, producers and emerging terroirs."* The Gambero Rosso World Tour continues. Upcoming Stops: Toronto and Calgary in Canada, followed by Miami and San Diego in the USA.
