*A unique premium tasting to get in touch with the awarded Italian wines in Vini d'Italia*

**Gambero Rosso** is ready to come back to Denmark with an extensive tasting of premium Italian wines awarded in Vini d'Italia guidebook. The **Tre Bicchieri World Tour** will reach **Copenhagen** on **Monday, May 2**. The event will take place in the elegant **Langelinie Pavillon**, that will host a lively walk around tasting from noon to 7pm. The selection of wines will feature a very huge portfolio of native Italian grapes produced by some of the most consistent and emerging wineries. The program includes two guided masterclasses guided by **Lorenzo Ruggeri**, co-editor of Vini d'Italia guidebook. The first one, at 1pm, will feature the elegant **Valtènesi rosé wines** produced on the shore of Garda lake, while the second one, planned at 5pm, is going to display a virtual and tasty trip from the northern tip of the Peninsula till the southern corner thanks to the **selected Tre Bicchieri wines**.

The **Top Italian Restaurants Awarding Ceremony** in Copenhagen is scheduled at 4:00pm. The best restaurants, pizzerias and wine bars will be rewarded according to the Top Italian Restaurants 2022 ratings.

After Copenhagen, the Tre Bicchieri World Tour will move to Stockholm on May 4, while will stop in Oslo on May 6.

## ABOUT VINI D'ITALIA 2022

Solidity, vitality, enthusiasm. This is the picture that emerges from the **35th edition of the Vini d'Italia guide**: Italian wine today is capable of showing off widespread quality in all regions at a level that surprises even the most experienced taster. Vini d'Italia guide is the result of a year of work by an expert team of tasters who have travelled the country interviewing producers and visiting wineries. The guide reviews 2,634 wineries and a total of 25,417 wines, awarding the classic scores ranging from 1 to 3 Glasses according to the quality of the label. The level of maximum quality is growing with 1,982 wines reaching the finals, and 476 that have won the coveted Tre Bicchieri recognition. Despite the adversities created by the pandemic crisis, manufacturers have demonstrated numerous positive results and good planning skills for international expansion. Vini d'Italia is translated into German, English, Chinese and Japanese. Available on Apple and Amazon.

## **Consorzio Valtènesi**

The vines are grown across the rolling moraine hills of the Western Lake Garda region, with small flatlands dotted among the gentle slopes. The climate here is mild thanks to the proximity of the lake, a Mediterranean between the Alps which thankfully manages to tame an otherwise harsh climate. The lake also makes it possible for many farmers of the region to cultivate olives, lemons and capers, as well as grapes. This is the land of Groppello grape that gets its name from the small, compact shape of its bunch. This is the most typical kind of grape found on the western shores of Lake Garda and is unique to the Valtènesi region. The Consortium will prepare a tasting point in Copenhagen, while a dedicated masterclass will take place at 1:00pm. The focus will be on the Valtènesi, a model of elegant and charming rosé wines. Low in color, high in flavor.

## About Top Italian Restaurants

On the international level, Italian cucina is living a golden moment. For appeal, variety, new openings, wide distribution. In large hotel groups, Italian restaurant dining is no longer one of the many, but rather the flagship place. At the same time the new openings dedicated to our flavours have tripled, while the buzz revolving around pizza is simply extraordinary, from the surprising global trend of Roman-style pinsa, to the new gourmet versions, while the success of Neapolitan pizza keeps on at full speed. The world wants Italy, products with local flavour, native grape varieties, new and surprising intensity: customers who cross the threshold of a restaurant want to cross our borders, marrying our style of enjoying the table. The work of mapping Italian flavour in the world continues at full speed, the Top Italian Restaurants guide celebrates its fifth edition, enhancing the experiences of authentic Italian taste abroad. Starting from restaurants, awarded with Forks, bistros and trattorias with Shrimps, wine bars and wine tables with Bottles, pizzerias with Slices; the rating is the classic Gambero Rosso one, from one to a max of three. Approximately 800 places are selected in the guide.
