Italian Wines 2023 live in Miami

Don't miss the opportunity to join one of the greatest events of Italian wines in town

An extraordinary **preview of Italian Wines 2023 guide in Miami**. **Gambero Rosso** will reach the Magic City on **November 21st**, the event is set in the scenic *Glassbox Ironside*, that will host a lively walk around tasting from 1pm to 5pm. The selection of wines will feature a very huge portfolio of native Italian grapes produced by some of the most consistent and emerging wineries. There will be showcased about 120 Italian wines, including a wide range of **Tre Bicchieri 2023** wines that for the first time will be uncorked in the US.

At 4pm is scheduled the **Top Italian Restaurants awarding**, featuring the most authentic Italian restaurants, wine bars and pizzerias in town. The program includes also a **masterclass guided by Marco Sabellico**, senior editor of *Vini d'Italia 2023*. The class is set at 1pm and will bring the focus on premium selected wines produced in **Oltrepò Pavese**, the reign of Italian Pinot Nero.

The Italian Wines event in Miami will come after a unique **Wine Sea cruise** thanks to the cooperation between Gambero Rosso and the MSC group. Before Miami, the wineries will carry on board a special selection of wines all over the paradisiac Caribbean sea. The cruise will display a dense program of tastings, seminars, and joyful events: a new wine experience.

Tutela Vini
Oltrepò Pavese

Oltrepò Pavese Style

The administration of the Oltrepò Pavese territory comes under the province of Pavia, in the Lombardy Region. It's an easy drive from the city of Milan. Geographically, it is triangular-shaped piece of land, wedged between Piedmont, Liguria, and Emilia Romagna. In total there are about 13,000 hectares of vines, the third Italian Denominations of origin if we consider the numbers of vine hectares, and 3,000 of them are cultivated under Pinot Nero which makes Oltrepò the leader in Italy and the third in Europe for this variety. The Oltrepò Pavese Pinot Nero Metodo Classico DOCG (at least 85% of Pinot Nero grapes) is famous for a style that displays high acidity, intensity and structure. The Masterclass Oltrepò Pavese Style is scheduled at noon o'clock featuring a wine range of Pinot Nero Classical Method Wines, crispy and dry Riesling labels, and elegant Pinot Noir wines in red.

GamberoRossoInternational

About Gambero Rosso

Gambero Rosso, the most important multimedia brand in the Italian food and wine world, celebrates its 36 years of activity. In 1986, Gambero Rosso took its first steps as an insert in a daily newspaper, but by the next year its first Guida dei Vini went to print, the 1988 edition. After that, dozens of guides and books followed. In 1999, Gambero Rosso Channel, the first thematic television channel in Europe, began broadcasting. Shortly after, a constellation of the Città del Gusto sites was founded in Italy, followed by Gambero Rosso Academy in the rest of the world, with cooking classes for professionals and amateurs, along with courses about wine, journalism master programs, and seminars on restaurant management. Recently, the company was launched on the stock market. Meanwhile, a fascination with Italy has been growing in the world, a longing for its authentic products, and Gambero Rosso events organized around the globe have multiplied. Since the first ones in 1990, the number of events on our international calendar has grown to over 40. They are above all, but not only, dedicated to wine, supported by the translations of the guide Vini d'Italia. That volume is translated in German, English, Chinese and Japanese.

About Top Italian Restaurants

On the international level, Italian cucina is living a golden moment. For appeal, variety, new openings, wider distribution. In large hotel groups, Italian restaurant dining is no longer one of the many, but rather the flagship place. At the same time the new openings dedicated to our flavours have tripled, while the buzz revolving around pizza is simply extraordinary, from the surprising global trend of Roman-style pinsa, to the new gourmet versions, while the success of Neapolitan pizza keeps on at full speed. The world wants Italy, products with local flavour, native grape varieties, new and surprising intensity: customers who cross the threshold of a restaurant want to cross our borders, marrying our style of enjoying the table. The work of mapping Italian flavour in the world continues at full speed, the Top Italian Restaurants guide celebrates its fifth edition, enhancing the experiences of authentic Italian taste abroad. Starting from restaurants, awarded with Forks, bistros and trattorias with Shrimps, wine bars and wine tables with Bottles, pizzerias with Slices; the rating is the classic Gambero Rosso one, from one to a max of three. Approximately 800 places are selected in the guide. www.gamberorossointernational.com/restaurants
